

Boat Rentals ~ FAQ

What is included with the boat rental rate?

Rental includes the fuel, a map of surrounding waters, a net/bucket/bait board/knife and lifejackets.

Can we fish or crab on the boat?

Yes! Rod rentals and bait are available in store. You are also welcome to bring your own equipment. For crabbing, we do not rent the traps as they are very inexpensive and are sold in store! We have crabbing bait as well.

Where do I park?

Parking is free and is street parking. All along Bay Ave & up side streets are free parking. We are directly on the corner of 3rd & bay.

What can we bring on the boat?

You can bring food and drinks, and it is BYOB! We do have a snack bar in the store and also have ice. Boats are also dog friendly =]

Are reservations necessary?

Reservations are not required but are always strongly suggested! Keep in mind you also need to arrive 30 minutes prior to your reservation!

What if I've never driven a boat?

Never boated? No problem! We'll show you how! Both boats are very easy to operate! Pontoons are similar to driving a car. The Mates will get your boat ready, assist with loading, show you how to use the rods and go over the map with you, and go over the operation of the boat and functions before sending you off!

Do I need a boating license to rent a boat?

No but you do need to be at least 21 and have a valid US drivers license.

What about a fishing license?

Anyone fishing over the age of 16 needs to have a fishing license to fish in New Jersey. You can register for one in store.

Are the boats handicap accessible?

Yes, although there is a ramp to get to the floating dock which may be too narrow for some wheelchairs.

Where are you located?

We are directly on the corner of 3rd & Bay Ave.
300 Bay Ave
Ocean City, NJ 08226
Big purple building, can't miss it!!
